NOTE ABOUT THE SIDE EVENT

Building upon the momentum gained since the launch of the Equal Pay International Coalition (**EPIC**) in September 2017, the Permanent Mission of Switzerland to the World Trade Organisation (WTO) and the European Free Trade Association (EFTA) (UN ECE, UNCTAD, ITC) and the Permanent Mission of Iceland, in partnership with the EPIC Secretariat, OECD, ILO and UN Women, will launch **EPIC** in the Europe and Central Asia (ECA) region and bring together regional leaders including governments, trade unions, private sector, and civil society to share knowledge, and exchange good practice on how to accelerate the achievement of equal pay for work of equal value.

BACKGROUND

Sustainable Development Goal (SDG) 8 promotes sustained, inclusive and sustainable economic growth, full and productive employment and decent work for all women and men, including

for young people and persons with disabilities. Equal pay for women and men for work of equal value is central to realizing gender equality and women's economic empowerment, reducing poverty and promoting economic growth. To sustain SDG 8, there is the necessity to acknowledge the central role played by gender equality (SDG 5) in having a multiplier effect on the accomplishment of all the SDGs, including SDG 8. Therefore, UN Women, ILO and OECD joined forces to accelerate progress towards SDG target 8.5 on full employment and decent work with equal pay, by leveraging expertise across a diverse range of stakeholders through concrete actions on the ground and in workplaces.

OUTCOME
