

BEIJING+30 REGIONAL REVIEW MEETING

"Reviewing 30 Years of Beijing Commitments to Accelerate Gender Equality in the ECE Region"

21-22 October 2024, Palais des Nations, Geneva

SIDE EVENT CONCEPT NOTE TEMPLATE

Please submit this form to ece-beijing30@un.org and eca.partnerships@unwomen.org by the 1st of October. If needed the information can be updated after the deadline. Please also feel free to create your own concept note; **however, ensure that all the information requested in this template is included.**

Event title

Please provide a title that is concise, catchy, and reflects the core issues addressed in your side event.

Future Leaders: Empowering the Next Generation

Background and Rationale

Please provide a brief background on the topic under discussion (max. 250 words). Outline the relevance of the topic to the region and draw connections to the 30th Anniversary of the Beijing

Declaration and Platform for Action and the 12 key areas of concern of the Beijing Declaration. Discuss the theme of this year's Regional Review Meeting: "Reviewing 30 Years of Beijing Commitments to Accelerate Gender Equality in the ECE Region."

The side event presents the Technovation Girls Program that each year pushes girls across the globe to solve problems based on the GDO in their community using technology (an app or an AI project). Supported by a network of mentors, ambassadors from different countries, volunteers and parents, the girls are changing the world. Participants will share their own insights and experiences to contribute for building a better world and their role through the experience. The objective is to present the Technovation Girls Program and the impact that it has on the different countries and how the program changes the girl's life and the impact it has for their future and for the world. During the event, ambassadors from different countries, girls who has participated in the program, mentors, parents will share their experience running the program and the impact it has had in their lives.

Session objectives and expected outcomes

Please outline the objective and expected outcomes of the side event, and whether the results will serve as an input for another event (max. 200 words).

The program Technovation Girls aligns with the broader goals of gender equality and women's empowerment from Beijing+30, demonstrating how technology can be a powerful tool to achieve these objectives. The program Technovation Girls objectives are:

- *Promote Gender Equality in STEM*
- *Empower Girls through Technology*
- *Create Future Leaders*
- *Collaborate for Global Impact*
- *Advocate for Policy Change*

During the side event, we'll share the Technovation Girls impact in participants of all the world.
