The review will also include an assessment of current challenges that affect the implementation of the Beijing Platform for Action and the achievement of gender equality and the empowerment of women and its

contribution towards the full realization of the 2030 Agenda for Sustainable Development.

The regional review will be based on the national reports by UNECE member States on the implementation of the Beijing Declaration and Platform for Action.

The Review Meeting will be preceded by the Civil Society Forum which will take place on 28 October 2019 at the International Conference Centre Geneva (CICG). The Civil Society Forum will be organized by a broad alliance of feminists and women's rights organisations, with the support of UN Women Regional Office for Europe and Central Asia.
