SERIES OF WEBINARS

A thousand ways to solve our problems: Preventing and responding to violence against women from an intersectional perspective in the Western Balkans and Turkey

Within the framework of the EU-UN Women programme "Ending violence against women in the Western Balkans and Turkey: Implementing Norms, Changing Minds"

The series of webinars, organized by the Council of Europe, the European Union and UN Women, will provide a space for knowledge sharing on how to prevent and respond to gender-based discrimination and violence against women and girls from an intersectional perspective. A wide range of panelists will bring their expertise to discuss and promote replicable initiatives and opportunities for women and girls who face multiple and intersecting forms of discrimination, in the Western Balkans, Turkey and other Council of Europe member states.
